# NEWSLETTER

I WILL SHOW YOU THE WAY TO HEAVEN

**TERM 1**

**MARCH 2 2016**

**Number 3**

*Dear Parents,*

*Next week is Catholic Schools Week (CSW). The theme of this year's CSW is I belong. You belong. We belong. This links beautifully with our Welcome Assembly which is our major event for CSW. The clear message from this assembly is that students, staff and parents all belong to the community of St. John Vianney's. During CSW it is appropriate to revisit our School Mission which endeavours to ensure we all belong.*

### **Our Mission**

'At St John Vianney's we share the Mission of Christ. Our school is a place where Christian values and beliefs permeate, resulting in a climate where every child feels safe, secure, accepted and loved.

We belong to a Catholic Community which is enriched and enlivened by its long history and tradition of the Church. This enables us to provide a spirit of welcome and acceptance to all and uphold the dignity and worth of each person.

In working with curriculum we believe that life experiences must be acknowledged as we endeavor to meet student needs. Our teaching is a witness to the Gospel Message and each child is encouraged to reach his/her full potential and become an independent and responsible learner.'

**Central to our beliefs is the valuing of the dignity of each person. To accomplish this, personal responsibility for respecting the right of self and others is central to our code of behaviour.**

***Acceptance and appropriate conduct is expected of everyone, because it promotes justice and upholds the dignity of each person.***

*Our School Rules, therefore, are important and every student needs to adhere to them.*

*They are:*

1. *Treat everyone with respect*
2. *Act safely*
3. *Co-operate in class*
4. *Care for our School Environment*

*The Feel Safe Policy will be sent home separately.*

### **National Assessment Program in Literacy and Numeracy (NAPLAN)**

*On the 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> May Years 3 & 5 will sit for the National Assessment Program in Literacy and Numeracy. NAPLAN is a national assessment and the students will be assessed in Language Conventions, Writing, Reading and Numeracy.*

### **Safety**

*The safety of our children is always paramount in everything we do at St. John Vianney's. I know that I can always rely on your support to accomplish this.*

*Therefore I have a few requests:*

- 1. We provide supervision from 8.30 (I ask you to ensure that your child is not at school before 8.30am)*
- 2. The children in the afternoon are collected from the amphitheatre or Multi-Purpose Room. The space around these areas is very limited and children need to be collected and taken quickly to avoid congestion. I realise that this is a great opportunity to meet the other parents and enhance the social bonds which are greatly supported by myself and the staff.*

*However, I ask you to relocate away from this congested area, to ensure that all parents have a clear access to collect their child. Please collect children promptly at 3.00pm.*

- 3. The car park in front of the school and the presbytery is for staff only. These gates are now locked in the morning and the afternoon. This is for the safety of all children.*
- 4. Children need to be walked across Cameron Street by their parents. Allowing children to run across Cameron Street is very dangerous. We have had a few 'near misses' already.*
- 5. Please note that the kerb in front of the school is a drop off zone between 8.00am – 9.30am. When using this zone please be considerate of other drivers and move off promptly when you have dropped off your children. This will allow other parents to drop their children off safely too. Parking is permitted in the afternoon.*

*I thank you in advance in taking a positive action in these 5 areas.*

### **Quality Catholic Schooling Project**

*All Catholic schools in the Diocese of Parramatta will be participating in the Quality Catholic Schooling (QCS) project in 2016.*

*QCS will provide data from students, staff and parents about our school's cultural behaviour, relationships and learning community and will assist us to focus our efforts for improvement by building on our successes to date.*

*From 21<sup>st</sup> March – 1<sup>st</sup> April all staff, approximately 50 students from Years 5 and 6, and 60 randomly-selected parents will be asked to complete an online survey. Staff and students will complete the survey online at school. Parents will be sent home a paper survey but will also be able to complete the survey online if preferred. The survey will take about 20-30 minutes to complete.*

*A survey consultant (Insight SRC) has been engaged to manage to data collection. The survey data will be kept strictly confidential and no individual will be identified to the school or the Catholic Education Office. Each school will receive an information report at the end of May and will use this report to inform their planning.*

*If you are selected to complete the survey, I would encourage your participation as this will help our school to identify our strengths and areas in which we can focus our improvement.*

### **Young Leaders' Day**

*Last Monday Mrs Cox and I had the pleasure of taking the Student Council to the National Young Leaders Day at Allphones Arena Homebush. The student leaders had the opportunity to listen to a range of speakers talk about leadership. The student leaders were a credit to themselves, their school and their families in the way they presented themselves, behaved and participated in the day. The student leaders will prepare a summary of the day for the next newsletter.*

## RELIGIOUS EDUCATION NEWS

### The Year of Mercy and Lent

'The season of Lent during this Jubilee Year should also be lived more intensely as a privileged moment to celebrate and experience God's mercy'

Pope Francis, *Misericordiae Vultus*, Bull of Indiction of the Extraordinary Jubilee of Mercy (2015), n. 17

In his 2016 Lenten message, Pope Francis explored the theme of mercy and how it connects with Lent. He encouraged the faithful to practise the works of mercy this Lent. There are seven corporal works of mercy and seven spiritual works of mercy. These works of mercy "remind us that faith finds expression in concrete everyday actions meant to help our neighbours in body and spirit."

The Diocese of Parramatta Family & Life Office has produced a Family Lenten Program for 2016. This program is a way your family can encounter Jesus Christ through the works of mercy this Lent. To obtain your copy please visit: <http://parrafamlife.org.au/lent2016/> or collect a booklet from your local parish.

### Third Week of Lent – Project Compassion

Generational poverty has led to many challenges in Dominic's community in Papua New Guinea, including gender inequality, alcohol abuse and violence. Since receiving training in the Caritas Australia supported Community Conversations program, Dominic has learnt communication and problem solving skills to lead his community towards a more peaceful, prosperous future.

**Please donate to Project Compassion 2016 and help empower communities in Papua New Guinea to lead their own development and create more harmonious futures.** You can donate through School boxes, by visiting [www.caritas.org.au/projectcompassion](http://www.caritas.org.au/projectcompassion) or phoning 1800 024 413.

## **Visit to Richmond RAAF Base**

On 17<sup>th</sup> February Year six travelled by bus to Richmond RAAF Base as part of the submission for the ANZAC Day Awards.

While we were at the base we presented our biographical recounts to current serving members of the ADF. These recounts served to make a link with service of the past to service of the present, as the recounts were written about soldiers from the First World War from the Blacktown District.

We walked through Flight Squadron 35 Admin rooms and then through a hanger and then we had a tour on a plane. We went looked in the cockpit of the plane and the cargo hull.

When we returned to school, Mrs Rose asked if any students would like to write about our visit, **Jayden, Chelsey and Tegan** offered the following recounts.

Thank you to these three students for working so hard to share their ideas and thoughts about the day.

Cheryl Kersivien  
**Teacher Librarian**

### **YEAR 6'S RICHMOND ROYAL AUSTRALIAN AIR FORCE BASE (RAAF) BASE EXCURSION**

On 17<sup>th</sup> of February, 2016, the two year six classes, Mrs Rose, Mrs Hastings, Mr Rose and Mrs Kersivien went to the Richmond RAAF Base for a short visit. We went because in 2015 while we were in Year 5, we learnt about the impact of war. We read books on war, wrote poems and biographical recounts on soldiers and nurses that served in World War 1.

All of us travelled to the RAAF base by bus. When we arrived there each one of us received a visitors pass from our tour guide. Our guide said we were extremely lucky since they don't allow schools into the base anymore. We continued on into the actual base, which was a large area, the biggest I have ever seen!

We then went to meet some serving officers to present our biographical recounts with a poppy each. It felt amazing to be talking to someone who helps keep us all safe.

After that wonderful experience we got to go into an enormous aeroplane hangar. Whilst walking through the hanger we saw maintenance workers working on an aeroplane. The tour guide then took us outside to see some of the planes.

We got into groups to be able to go around a plane and into its cargo holder. We were told it could hold 74 stretchers! It was gigantic. The group I was in didn't even take up a quarter of the space, and that was just the cargo area. After asking a few questions we were able to go into the cockpit where a couple of pilots showed us where they slept and kept their food.

We got out of the plane after having an experience I couldn't express in words. Then unfortunately we had to go back to school.

I would like to thank Mrs Rose, Mrs Hastings, Mr Rose and Mrs Kersivien for this amazing day.

### ***Our Excursion to RAAF Base***

On 16<sup>th</sup> February 2016 Year 6 were very lucky to visit the Richmond Air Force Base. We travelled to Richmond by bus and the trip was approximately 30 minutes to the base.

When we arrived two military officers greeted us and we were issued with our security passes. Then it was time to explore the base.

Firstly, we were taken to an area where we met some serving officers and had the opportunity to present them with our work on the servicemen and women that came from the Blacktown district over a hundred years ago. The officers were really interested in our work.

Next we were given a guided tour of a Hercules plane. We were able to get to see the cockpit and the control panel. Then we looked at the hull of the plane where all the cargo is kept and transported all over the world.

Finally it was time to leave the base. We had a lot of fun and we were all very grateful that we had been given this opportunity to meet those men and women who are protecting our country today.

***Chelsey Beltajar 6R***

### **Recount of Richmond RAAF Base**

On Wednesday 17<sup>th</sup> February, Year 6 had a chance to visit the RAAF (Royal Australian Air Force) base at Richmond.

When we arrived, we received our very own security passes and made our way to the military airport. When we were there, we saw a white plane land and take off. Each group of students were allowed to experience different areas of the plane.

We were given a tour of the cockpit and the back of the plane where all the cargo is stored. The cockpit consists of lots of buttons to control different parts of the plane and two levers to operate nine emergency exits. There was also a tiny fridge, a microwave and water supplies for tea and coffee.

Each plane needed two operators for each flight (one pilot and one co-pilot).

During our visit, I gave my poppy with a description of Walter Woodward to a young woman. Walter was born in Parramatta in 1890 and served in the First World War.

We learnt lots of interesting facts during our visit. I learnt the thicker the fuel, the further the plane can go, because it takes longer to burn, but since the fuel is thicker and heavier, the plane can't carry as much cargo.

We were ***very lucky*** to visit the Richmond RAAF base, because they don't allow school visits anymore. ***I would like to thank Mrs Rose, Mrs Hastings and Mrs Kersivien for this wonderful experience.***

***Jayden Norris 6M***

It is a huge task to cut the wonderful amount of fruit that we get, so many hands will make light work.
