I WILL SHOW YOU THE WAY TO HEAVEN

TERM 1

MARCH 22 2017

Number 4

**Dear Parents and Carers,
Greetings!**

*I begin this newsletter with the good news that **Fr O' Neill is back 'home' from hospital** after having undergone more back surgery. He looked very well and rested when I visited him last week. Fr O' Neill has been in our prayers and we are happy that he is making excellent progress with his recovery and is indeed in good spirits! **Welcome home, Fr O' Neill!***

*Recently, we celebrated Catholic Schools' Week. The week began with a special prayer time in each classroom to which parents were invited. **Thanks to the parents who were able to join their child's class prayer. A special "THANK YOU" to each teacher for planning such meaningful scripture-based prayer for their classes and the beautiful prayer focuses which enhanced and enriched the students' experience of prayer.** There are photos from each class on display in the passageway near the school office. I invite you to take some time to view them next when you visit. Our Welcome Assembly was a fitting way to conclude Catholic Schools' Week and 'officially' welcome all our new students and teachers.*

*I acknowledge and thank Mrs Rutherford, Mrs Moseley, Mrs Field and Mrs Tierney for their incredible planning and preparation to make the Welcome Assembly such a special and joyful community celebration. To our Yr 6 students, **THANK YOU** for being such generous and helpful 'buddies' to our Kindy students.*

*The **Open Classrooms** which followed provided an opportunity to view and celebrate all that is **GREAT** at St John Vianney's Parish School! Our school is filled with happy, proud and enthusiastic students; hard-working, loving, creative and dedicated staff; parents and carers who appreciate what we do and support our work! It is a place of great learning and achievements where we create opportunities for every student to grow in faith and towards becoming independent, confident, thinking, resilient and reflective learners!*

How gratifying it was that so many family and friends were able to come to the assembly, visit the classrooms to be proudly shown all the wonderful learning that's taking place and stay to enjoy the family picnic recess. Thank you, parents and carers for entrusting your children to our care and continuing to support and encourage them in their learning and growing.

SAFETY of STUDENTS at ST JOHN VIANNEY'S

At St John Vianney's Parish school all staff are responsible for the safety and wellbeing of the students from the time they walk through the gate until they leave in the afternoon. This is what is legally referred to as our '**Duty of Care**'. The safety of each student is also important **OUTSIDE** the school property. It is for this reason that protocols and procedures (rules) were put in place to cover a number of aspects such as after school pick up, parking, use of pedestrian crossings, etc.

These procedures require the cooperation of parents and carers. It is difficult for the school to ensure students are safe and supervised when parents decide to 'bend' or change the rules, often for their own convenience and not the safety of their children.

Friday 24th March**

We all need to be mindful that we (the adults) are the role models and educators when it comes to road and child safety practices and respect for rules. **I urge you to PLEASE be respectful and supportive of these procedures:**

- **Be punctual (school begins at 8:55am)**
- **If you're late in the morning YOU must fill in the late note at the office – not the child!**
- **Use the pedestrian crossing to cross your child**
- **DO NOT park on the opposite side of the school and allow your child to run across the road (All young children MUST hold the adult's hand when crossing the road)**
- **Children should get out of a parked car on the KERB SIDE and be crossed over the road by the adult (Cameron St is VERY NARROW when cars are parked on both sides.... this makes it DANGEROUS as passing traffic has limited space to get through (open car doors don't help)**
- **Obey 'No parking/No standing' signs (it's illegal not to!)**
- **DON'T park across driveways to drop off or pick up children (illegal)**
- **DON'T pull into the driveway to drop off or pick up children (illegal)**
- **PLEASE BE CONSIDERATE OF OTHER DRIVERS - LIMITED PARKING SPACES IN THE MORNING AT DROP OFF TIME (be quick)**
- **DON'T double park...especially in the afternoon ...you are creating a traffic hazard!!!**
- **PLEASE ...DON'T ask your child to wait on the church steps to be picked up after school ...they are unsupervised**
- **ALL STUDENTS BEING PICKED UP MUST WAIT IN THE AMPHITHEATRE WITH THE SUPERVISING TEACHER AFTER SCHOOL (supervision finishes at 3:30pm) If you're running late RING the SCHOOL!**
- **ALL 3 CARPARKS are for STAFF USE ONLY!! (Even on rainy days!)**
- **Please don't open the gate of the lower church car park and drive in....it's for staff only and they can't get out safely! (and someone will tell us at the office if you do)**
- **PLEASE DON'T ask your child to wait outside the school fence after school (they are unsupervised!) You need to park and collect them from the amphitheatre**
- **Children who are not picked up and walk home towards Hill End Rd or need to cross Cameron St MUST meet Mrs Smith on the verandah in front of the office.**

A number of parents have commented about the bridge gate not being open before 3pm. This gate will remain locked until 3pm for 2 reasons:

1) **Child protection concerns** – any stranger can simply wander into the school unnoticed as this area is not in view of any staff members. Technically no parent should be on the school premises before 3pm unless they have signed in at the office. Can you imagine the chaos if everyone who came early tried to sign in? I suggest that you wait in your car until 3pm and then come into the amphitheatre to collect your child OR come a little later (say 3:15 It's much easier to park.)

2) **To minimize the congestion around the pathways to the amphitheatre** and enable the teachers to get their classes seated in an orderly and safe way. All we ask is that you please keep the pathways from the infants building and near the back of the office clear! This also applies on wet days when the pick up is in the Multi-purpose room (Please don't congregate in the entry foyer or canteen area.)

My sincere thanks to those parents and carers who diligently follow procedures and work WITH the school to ensure their children's safety. Your support is greatly appreciated.

Blessings!

Lent

Lent is a time when the Church prepares for the celebration of Easter. It is not just a time for doing special things and saying special prayers for the sake of doing them. Our Lenten practices of prayer, fasting and almsgiving should help us to understand God's word more clearly and to live according to that word. As families, we should take the time to think about what the gospel means to us and how well we are living up to God's law of love and the promises of our baptism.

Turn away from sin and be faithful to the Gospel

2017 GRIP STUDENT LEADERSHIP CONFERENCE

*Last Wednesday the student leaders had a great time at the Grip Student Leadership Conference. I personally found it fun, exciting and educating. **We learned that no one person is strong at everything, but a team is strong at many things.** We focused mainly on how to put our ideas into action and that **we should not only know our own strengths, but others' strengths too.***

The way I would describe this amazing opportunity in three words is:

Magnificent Informative Enjoyable

Natasha Bernard (6R)

*I enjoyed many things about the Grip Leadership Conference. We had the opportunity to meet with many other leaders from different schools and engage in many activities. **I learned that everybody needs to develop and use their character strengths. My character strengths are creativity and fairness.** These strengths make me a good role model.*

Reese Nunez (6M)

The "Grip Leadership Team" showed us how we can be good leaders within our school community and how we can represent ourselves as members of the Student Council to the rest of our proud school, Saint John Vianney's Parish School. Now as a Student Council we have many new ideas we would like to put into action to help make our school even greater than ever before!! The "Grip Leadership Team" were amazing! It is with great pleasure that I thank Mrs Cox and Mrs Smith for organising this event for us!

3 Powerful words to describe the day are

Rewarding Alternative Inspiring

Jayden Ramia (6M)

Leaders' Day at Homebush Sports Centre

I learnt that as a leader if you want to put an idea into action there are 7 steps that you need to take:

Agree on an idea

Create a poster

Talk widely

Identify tasks

Organise roles

Navigate roles

*I thought the day was: **Motivating! Interesting! Inspiring! Amazing!***

Victoria-Rose Bayada (6M)

What I learned from the 'Grip Leadership Conference' was far more than I can count! However, my top two highlights from the day were:

1. **All the fun games that involved meeting students from other schools and learning about them.**
2. **The Grip Leadership team - they were entertaining, surprising and taught us many new things about leadership**

I learned a lot! I learned strategies to use to be a leader and about the important values needed for leadership. I also strengthened my bond with the other student Council members and learned how to put my ideas into action.

It was AMAZING, AWESOME and MARVELLOUS!

Vincent Crisostomo (6R)

During the Grip Leadership Conference I learned more about other student leaders and how leadership is organised at different schools around N.S.W. Some schools had an S.R.C (Student Representative Council) and others only had House Captains. My favourite part of the day was learning about how we can become better leaders by knowing our own strengths and weaknesses, as well as by knowing others' strengths and Character strengths.

The day was : Enjoyable! Entertaining! Educational!

Keith Sarol (6R)

I can honestly say that there wasn't anything I didn't like about the GRIP student leadership conference. The most interesting part of the day was when **we learned about how leaders are helped by knowing their own strength, own weaknesses, other people's strengths and our own character strengths.** The day was fun and amusing. We learned how to put our ideas into action and **if we don't have a plan and proposal, some ideas won't get put into action.**

It was a FANTASTIC day! **Ivana Siric (6R)**

At the GRIP Leadership Conference I learned that everyone in every school has a role to play, even if they are not on the Student Council. **The day was educational, amazing and pretty much awesome.** It was a powerful day of learning!

A TRIBUTE TO OUR LOCAL VETERANS

On Saturday 11th March, 12 wonderful Yr.6 students represented our school at the Blacktown RSL Sub-Branch meeting. At this meeting, the students presented to the RSL a collection of biographies that were researched by the students when they were in Year 5 last year. Each of the soldiers selected were from the soldiers names recorded on the memorial outside the RSL. Every student made a candle with a soldier's name from the memorial and these were also presented at the meeting. We hope these candles will be lit at the Anzac Day dawn service.

I have spoken to members of the RSL since the presentation and they were thrilled with the level of commitment displayed by the students and their interest in our country's history.

Thank you to the parents who accompanied the students on a day of the week that is always very busy.

Congratulations to – **Ivan Varan, Victoria-Rose Bayada, Lauren Chandler, Eliana Frendo, Natasha Bernard, Berend Slager, Vincent Crisostomo, Ivana Siric, Sahana Kumar, Sophia Pastoral, Reese Nunez and Paulo Ibanez.** A big thank you to **Mrs Smith** who joined us by surprise and proved to be a great photographer. Your support is appreciated.

Thank you everyone – your level of respect and commitment is really appreciated.

Year 6 VISIT to BLACKTOWN RSL

On Saturday the 11th of March Mrs Kersivien, Mrs Smith and some students from Year 6 went to Blacktown RSL to share our learnings and the activities which we have participated in here at SJV's in preparation for our submission for the Department of Veteran Affairs ANZAC Day Awards Competition.

When we arrived we were welcomed by an RSL representative, Kevin. Then we joined the veterans and members from Blacktown RSL who were preparing for their monthly meeting. At 11:00am we had 1 minute of silence to honour, show respect and to remember the soldiers that didn't come home.

Next we all had the opportunity to take part in sharing what we have learnt about the soldiers that went to war from the Blacktown area. We gave some facts, information and spoke to the veterans. We showed them our collection of drawings, descriptions of the soldiers, and poppies that we made; "Answering the Call from Blacktown and Beyond". We were all really nervous but enjoyed the experience.

The veterans were very pleased with our hard work and efforts. When we finished we received a standing ovation. The veterans were touched and moved by the amount of effort and work that we have put into this project. We have also been invited to march and light the candles we presented to the Blacktown RSL at this year's ANZAC DAY DAWN SERVICE on Tuesday 25th April.

At the end of our visit and presentation we went outside and took many photos. We all had a very good morning. We would like to thank Mrs Kersivien for this great opportunity of learning. It was inspiring and very special to meet the veterans who went to war to defend our country.

Chess Competition Information

This year we **will not** be entering the Friday afternoon Chess Competition. As we didn't have enough interest it has been decided to alter the way chess is offered at the school this year.

In Term Two a mentoring chess program will be offered. Experienced chess players will be invited to teach chess to novice learners. In Term Three a chess competition for beginner players will take place at school during lunchtime and then in Term Four an experienced player chess competition will be offered. In this way we hope to increase the number of students who might like to participate in the inter-school chess competition next year (2018).
