Number 2

**Dear Parents & Carers,
Greetings!**

Parent Information Evening

Many thanks to all the parents who attended the Parent Information evenings on Monday and Tuesday nights. It was wonderful to see so many interested parents. I believe it is a great compliment to us that you have taken time out from your own busy schedule and shown your interest and support in your child's learning journey.

I extend my personal thanks to each of our dedicated, hard working teachers for preparing and facilitating these information sessions.

Let's continue during 2019, to work together in supporting our students' learning as this is a key factor in ensuring success for our learners.

Year 6 Kindy Buddies

A huge **THANK YOU** to our **amazing Year 6 students** who were 'buddies' to our Kindergarten students during their first week at school. The Year 6 students gave up their recess and lunchtime each day to 'buddy' up with the Kindy students, showing them their eating and play areas and where to find the student toilets and bubblers. They helped their buddies pack away their lunch boxes and made sure they found a friend to play with. **Year 6 admirably carried out their roles with kindness, gentleness and sensitivity. We are very proud of the way in which you carried out your leadership roles as the senior students of SJV's.**

A Student's Prayer

Dear God,

Thank you for our school.

We pray it would be a safe place of learning, fun and friendship.

**Please watch over all our teachers, children and families.
Help us to learn new things, to explore the world together
and to play and be happy.**

**Help us to have love for each other, to have forgiveness in
our heart, and to build kindness into every day.**

Amen.

**Blessings to all!

Religious Education Goal for 2019

"For students to begin to engage in the inquiry process for learning and to consolidate the use of the Senses."

The Diocesan Religious Education Curriculum currently in place is 'Sharing Our Story.' The Catholic Education Diocese is in the process of reviewing this document and a new curriculum will begin to be implemented in some of our schools this year, with the remaining schools commencing in 2020.

At St John Vianney's Parish School we place a high priority on ensuring our students have a sound knowledge of the Catholic Faith and Catholic Traditions. Our teachers use the St John Vianney's Parish Catechism to assist students to broaden their knowledge of Church teachings.

This year the staff will be working to building their understanding and use of the inquiry process for learning. The overall goal of the inquiry process is for students to actively make meaning and build new understandings. Students are encouraged to investigate widely and deeply, make sense of new information to build on prior knowledge, present and share their knowledge with others and reflect on what they have learned.

Staff will also be participating in various professional learning activities throughout the year to continue to refine the teaching and learning strategies that they use with students to teach Scripture. Currently the teaching of Scripture is supported by the 'Senses of Scripture' which is a way that teachers and students look at the levels of understanding that exist within a Scripture passage. There are three 'Senses':

- Literal – Who? What? When? Where? What is the geographical and historical context of the Scripture?
- Spiritual – What does this Scripture passage reveal about God/Jesus? What sacraments are present? What Catholic Value is revealed in this Scripture?
- Application – What does the Scripture passage call me to do with my life?

RELIGIOUS EDUCATION NEWS

ASH WEDNESDAY - LENT - PROJECT COMPASSION 2019

The season of Lent begins on **Ash Wednesday (6th March)**. On this day the Yr.3-6 classes will be attending the 9:15am parish Mass where the ashes will be distributed. K-2 will receive the ashes during a special class prayer time in their classrooms.

Ash Wednesday also marks the beginning of the annual Caritas Australia Project Compassion appeal.

This year's Project Compassion theme is 'GIVE 100% for LENT'.

Lives change when we all give 100%.

Hope helps us to face life's challenges and sustains us as we work alongside the most marginalised and vulnerable communities to achieve better lives.

Your donations to Project Compassion allow Caritas Australia, the Catholic Agency for International Aid and Development, to work towards a more just and fairer world.

On Ash Wednesday, each family will receive a Project Compassion box for your donations. You can also donate online via the website at www.caritas.org.au/projectcompassion.

We ask that you please return these boxes to the office by Friday, 12th April 2019 so that the money raised can be forwarded promptly to Caritas.

Please 'give 100% for Lent' this Lenten season by supporting Project Compassion 2019.

Sydney - Mexico - Panama - Texas

MEXICO

On the 15th of January, myself and 171 other pilgrims from the Parramatta Diocese began our journey to World Youth Day in Panama. Our journey started in Mexico. The Mexican people reminded us of the importance of being connected to our faith as well as, being thankful for God's blessings. I was lucky to have met volunteers at one of the largest organisations, in Mexico, 'Crit'. The cheerful volunteers assisted children with disabilities and their families. This connected nicely with the World Youth Day theme 'I am the servant of the Lord. May it be done onto me according to your word.'

The Mexican people also shared with us their love of Mary, particularly Our Lady of Guadalupe. I strongly suggest looking into the miraculous story of Our Lady of Guadalupe. Below you will find a picture taken of the Tilma worn by Juan Diego.

PANAMA

World Youth Day Week in Panama City showed us the universality of the Church. Standing amongst the crowd of half a million people from all around the world, there was a sense of unity, we were all connected to each other through our faith, love of God and desire to want to know more about Him. The atmosphere was incredible, particularly the few times we saw the Pope.

The aim of the pilgrimage is to have an encounter with Jesus Christ" - Fr Fernando reminded us to focus on our goals and try not to get distracted by the little things around. On my journey I encountered Jesus Christ through the many people. I was reminded and shown in subtle ways the love and presence of God. This experience also taught me the significance of being an instrument of peace, to show God's love and presence through my own actions.

"If you follow Christ into the depths you will find life and many others will be drawn to the life you've found," Bishop Barron one of the many wise people who shared words of wisdom and encouragement to pursue a relationship with God.

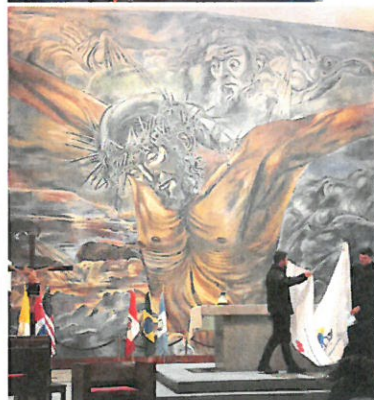

Throughout my pilgrimage I kept in my prayers the St John Vianneys School community. I am so grateful for the support prior to my journey, as well as the kind conversations after. It really is an experience of a lifetime and one that challenges you in ways

you may not expect. I found God through the people I encountered. People have much to share and while listening to others encounters and their reflections along the journey, my thoughts enriched and holistically learning so much about myself and God.

A Snippet of High School Life

Last Tuesday, 12 February, Mrs Lisa- Maree Browning, Principal of St Agnes High School, Rooty Hill, Ms Elizabeth Gale, Stage 4 Coordinator and three Year 10 students visited St. John Vianney's to give a talk about high school life to our Year 6 students. It was an informative morning for all our Year 6 students who picked up a few handy tips about life in high school and had the opportunity to ask lots of questions to the three Year 10 students. Our Year 6s definitely enjoyed the session and they felt quite excited about what awaits them in high school!

SCHOOL ATTENDANCEEVERY LEARNER, EVERY DAY!

- ♦ *School attendance plays a critical role in enhancing the lives of students in schools.*
- ♦ *Every day of attendance adds to a students' academic achievement and success at school.*
- ♦ *If a student is not at school, they can't be part of the learning.*
- ♦ *A student who is consistently late to school misses the learning too!*
- ♦ *School attendance is compulsory for every school age student.*

It's OK to NOT be at school if you are sick or there is some kind of disaster ...but it is not OK to be away because you slept in, didn't feel like coming to school, went shopping, met up with friends.

At St John Vianney's we are monitoring school attendance as one part of building your child's success at school. We will communicate with you if we become concerned about your child's attendance.

If your child's attendance is less than 90% attendance for this term, we will contact you either by phone or letter to make you aware of your child's attendance rate.

Parents can help by promoting the importance of school by:

- ✓ ensuring your child attends school every day
- ✓ arriving at school punctually (school begins at 8:55am)
- ✓ leading by example ... be organised and ready

We are keen to support parents in developing and consolidating good attendance habits in every student.

ABSENT FROM SCHOOL

If your child is away from school could you please advise the office via phone, email or the Skoolbag App by 9:30am on the day they are absent. Thank you!

ABSENCES

It is an expectation that student attend school every day and arrive on time. The school day begins at 8:55am and ends at 3pm. If your child is away due to sickness, medical appointment or a family matter a note or doctor's certificate should be sent to the classroom teacher on their return to school. **If you are intending to take your child out of school for leave for less than 5 days please send a note to the class teacher or contact the school office by phone, email or via the Skoolbag App.**

APPLICATION FOR EXTENDED LEAVE

If the period of leave is for 5 days or more, please provide a letter to the Principal detailing the reasons for extended leave and attach the completed Application for Extended leave. There is no guarantee that extended leave will be approved. All applications are considered on an individual basis, taking into account the reason for leave, the student's academic progress, their attendance history and the impact this leave may have on the student's progress.

These regulations are in place in all schools in the Parramatta Diocese to make sure that all students have the best opportunity to achieve to their full potential. We appreciate your support and understanding of these requirements.

Reading @ Home - The Number One Home Learning Focus

Last year we began a revised school homework policy which placed reading as the central focus of home study. In setting reading as our central focus we aim to:

- **develop rigorous daily reading habits**
- an **awareness of the breadth of texts that students are able** to access
- help students come to **know themselves as readers** and what texts they particularly enjoy
- build skills in **deciphering text** as well as **comprehending challenging texts**.

In developing these, we aim to build in our students independence and proficiency in all forms of reading, but more importantly, **to nurture a love of reading** which will go with them into their adulthood.

Students have Reading Logs to track their reading across the week as well as the term. Nightly reading is important to develop that routine and regular place of reading in the day. Of course students from Kinder to Year 6 are on a continuum of independence though we aim to build this across the years so that older students are taking the responsibility of their own reading. Parents are co-pilots in this endeavour and need to be able to support regular reading through discussion, supporting sourcing texts as well as signing student Reading Logs.

Reading **is** personal. The individual determines where and when reading is best done - though parents need to guide this decision, creating a realistic and worthwhile schedule.

Reading for Learning at home cannot be seen as optional, as unstructured, or as a soft answer to an otherwise heavily prescribed written homework format. Parents need to model the mind-set that home reading is a clearly defined home learning task, is mandatory, has determined time frames and needs to be recorded. A positive approach to home reading as learning will plant a seed that can grow into a vibrant literary mind-set.

Literacy Coordinator

Numeracy

This week, the focus for Numeracy is **Number Busting**. The *Magic Number* this week is **276**. Children solve the problems in the circles below keeping in mind the number they are busting is **276**. Please feel free to change the *Magic Number* if this number is too tricky or not challenging.
