I WILL SHOW YOU THE WAY TO HEAVEN

TERM 4

DECEMBER 9 2020

Number 19

Dear Families,

*To say that 2020 has been a most unusual year is an understatement! Given the difficulties and constraints that we have all experienced as a result of the COVID-19 pandemic, I am immensely proud of how well the children coped with the disruption and the hard work that the teachers put into planning and delivering online work, monitoring student progress and keeping in contact with families. I also acknowledge the support of parents and the effort that families put into ensuring that children were still learning.*

*Last Thursday we hosted our end-of-year Award Presentation assembly. The SRC spoke well, outlining 'the year that was 2020' for us. **Student of the Term** awards were handed out as were the **Fr O'Neill Clear Speaking Awards** and **Catechism Awards**. All children who received an award were worthy recipients and it was a fitting way to acknowledge their hard work. Fr O'Neill joined me in presenting the awards and spoke to the children about the importance of being of service to others. His speech was warm and full of admiration for the children and teachers. Fr O'Neill's continued support of our school is most appreciated.*

### **Kindergarten Orientation**

*Last week welcomed our newest enrolments -the Kinder 2021 children. Although our Kinder Orientation looked very different this year, it was smooth, stress-free and exciting! I thank **Mrs Bayada** and **Mrs Field** for welcoming the children and introducing them to school life. My thanks also to **Mrs Smith**, **Miss Farrugia**, **Mrs Derrett** and **Mrs Kelly** for their assistance in the program. I want to particularly acknowledge our **Year 5** children who were superb in welcoming them to SJV and escorting them to the Kinder classrooms. They will make excellent buddies for the Kindergarten children next year.*

*Two recent events that I have been privileged to watch were the Stage 3 debating contest and the election of the SRC. The children participating in the debate 'Is Home-Schooling Better Than Attending School?' spoke with conviction and were very persuasive in their arguments. Congratulations to all of the participants for the manner in which they entered into the debate. I also congratulate the **Year 5 children** who put themselves forward to serve on the SRC in 2021. Each of them delivered excellent speeches confidently and with conviction. I was most impressed by the common theme of being of service to others which featured in their speeches.*

*Our swimming carnival last Friday was an exciting day and I thank **Mrs Hancock** and **Mrs Asaad** for their organisation as well as the teachers for ensuring that the day was a success.*

*COVID-19 proved a challenge for our P&F this year. Under the leadership of **Mrs Teneile Shaw**, the committee still did an amazing job of raising funds. Their efforts have assisted us in the purchase of reading resources as well as sensory playground equipment. After 11 years at St John Vianneys, 7 of those as a member of the P&F, **Mrs Tina Hendricks** will be stepping down from the role of Treasurer and I thank her for all that she has done for our school in that time.*

This year we say farewell to **Mrs Jeana Balintec** and **Miss Nadushi Algama**, both of whom have contributed significantly to our community as teachers. I am sure you all join me in wishing them both well in their future endeavours. In 2021, we will welcome **Miss Daniella Rak** to our teaching staff.

#### **Farewell Mrs Fletcher**

After 25 years of loyal service to the St John Vianney's community, Mrs Anne Fletcher is retiring. Anne has been one of the 'mainstays' in the school office greeting parents and other visitors to the school, answering phone calls, attending to children in sick bay and also providing admin support to four Principals. I am sure you all join me in wishing Anne a wonderful retirement. I thank her for all that she has done for our community and for the very warm welcome and support that she extended to me when I began my Principalship of STV at the beginning of the year.

It is always sad to farewell families whose association with St John Vianney's has come to an end. This year we farewell the **Aducayen, Aniano, Autagavaia, Bermudez, Buttigieg, Chrysanthou, Daraoay, Dela Cruz, Espino, Graf, Gunnion, Hamilton, Hendrickson, Icaca, Ison, Joby, Layson, Liu, Muhammad, Nicolas, Papachristou, Paul, Portelli, Quiazon, Reyes, Rull, Salameh, San Pedro, Scott, & Zorzut Families**. Thank you for your contribution to St John Vianney's over the years and we hope you have many fond memories to take with you.

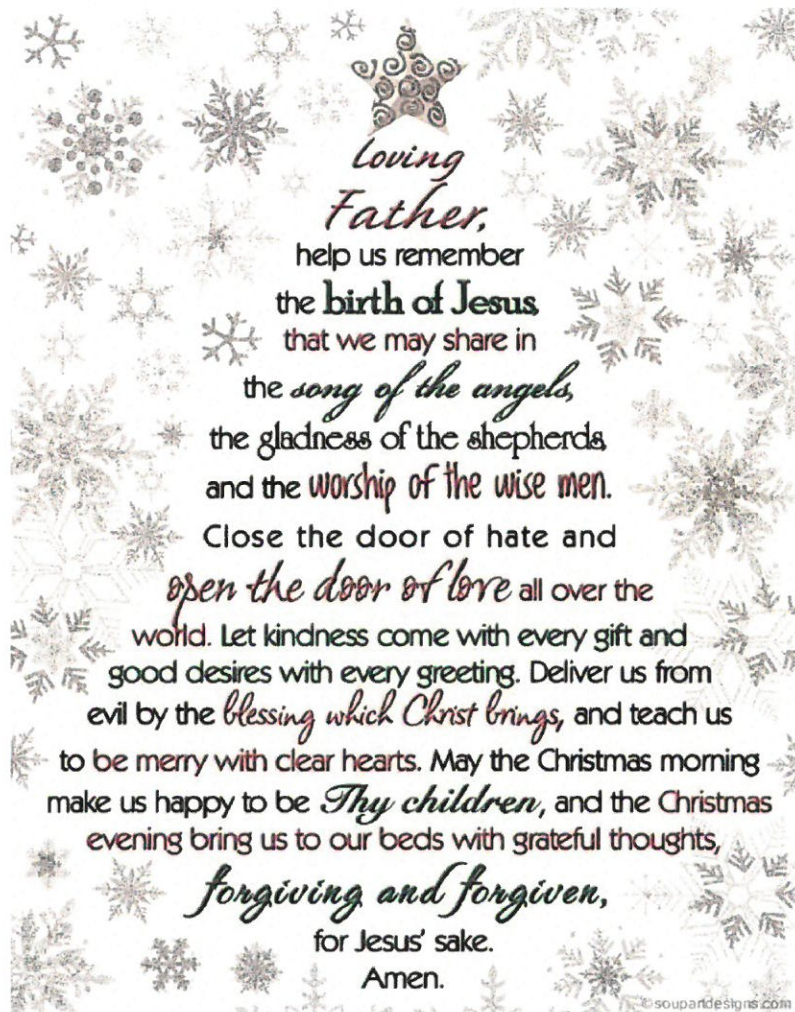

In closing, I would like to thank and acknowledge **Mrs Smith, Mrs Dawinan, Mrs Fletcher, Miss Farrugia** all of the **teachers and teacher assistants** and our **P&F** for a wonderful year. I also thank the most important members of our school community: the children, who quite simply make it a pleasure to turn up to SJV each day!

Wishing all families a holy and peace-filled Christmas and safe holiday. I look forward to welcoming everyone back in 2021

*And in that region there were shepherds out in the field, keeping watch over their flock by night. And an angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were filled with fear. And the angel said to them, "Be not afraid; for behold, I bring you good news of a great joy which will come to all the people; for to you is born this day in the city of David a Saviour, who is Christ the Lord. And this will be a sign for you: you will find a babe wrapped in swaddling cloths and lying in a manger." And suddenly there was with the angel a multitude of the heavenly host praising God and saying, "Glory to God in the highest, and on earth peace among men with whom he is pleased!" (Luke 2: 8-14)*

Principal

*Christmas Joy and  
Blessings  
to all  
our families*

# *Student of the Term Year Overview*

## *Term 1: Adia and Jacob*

Good morning Father O'Neill, Mr Lievore, Mrs Smith, Teachers and Students.

Another new year for new students and old. 2020 threw so many challenges at us, like coronavirus and bushfires around Australia. As we settled into our new classrooms, we started off the new year with the swimming carnival which took place at Riverstone. We thank Mrs Hancock for preparing this day full of splashes and laughter. After all the competitions, Green took first place for all the competitions and Red won the war cries. Congratulations to the other colour teams who tried their best during this big event.

We slowly learned more about our classmates and teachers and of course, the new Kindergartens. Year 6 showed them around the school and taught them the school rules. After two weeks of being good friends, we celebrated the Welcome Assembly to officially welcome them as members of the SJV community. Soon after, on March 5th and 6th, Year 6 travelled to Vision Valley to experience their first school camp. They had a great time swimming, climbing and roasting marshmallows. We thank Mr Lievore, Mrs Smith, Mr Stennett and Mrs Balintec for arranging this trip.

Just as we started to have a great time, it all went down the drain when the COVID restrictions started to be a pain. We were stuck at home, doing remote learning and being away from friends. This started from Week 8 and continued over the holidays. In Week 10, Mr Lievore was so kind to give us an extra week of holidays which started in Week 11. Thank you Mr Lievore for giving us this special treat to take away our stress.

## *Term 2: Tyarrah and Lachlan*

The 2020 coronavirus made a huge impact at SJV's during term 2. Everyone was terrified of catching the infamous virus and so remote learning began. It was highly different compared to other years. MANY of us were confused, especially doing your work in an unusual learning space.

Term 2 was quite chaotic and so was this year, but we got through it. Our reports were VERY dissimilar since we didn't get our normal grades. On behalf of the whole school, we'd like to thank all our teachers for helping us even when it got very stressful trying to communicate with us and sending in our tasks, we appreciate it very much. As remote learning slowly ended in Week 3, everyone gradually came back to school and greeted each other with smiles that would last for ages. We had to social distance and put hand sanitiser on our hands for safety. Obviously, these were protocols but we're very lucky to have been able to go back to school for face to face learning.

Mothers' Day came by, even with covid that wouldn't stop us celebrating, with the help of the P&F, we had a Mothers' Day Stall allowing us to give gifts to show our appreciation for our mums. And with the help of Mr Stennett, students participated in creating a special video we shared with the mums of our SJV's community.

Finally, on the 25th May we came back to full time, face to face learning. Suddenly, we were coming to the end of term 2. Ready to learn some more, many things happened as we neared the end of term 2. After 32 years, Mrs Fidler decided to retire, in honour of her, teachers held a farewell celebration for her. Some students from each grade presented amazing class videos, speeches and poems. On a happy note, the social justice team initiated the Igniting care with cans project with Miss D'sa and Mr Stennett. We got to wear mufti in exchange for cans which would be donated to those in need! A great way for us to give back to others. Thank you very much to the social justice team, Mr Stennett and Miss D'sa for helping to organise this event. Finally, with the help of Mrs Dobrzynski a few talented artists here at SJV's were working on beautiful art pieces. Some of these artworks were chosen to be shown in multiple art galleries, including being hung up at the Children's Westmead Hospital. Congratulations to Allistaire Reyes, Chloe Otazu, Boris Prokhorov and Isaac Bayada for being chosen.

Overall, despite the year being very difficult, term 2 will be one to remember. We made some great memories this year, and this was just part of it.

### *Term 3: chanel and myron*

As another holiday slowly ended, Term 3 began, with parents still not able to go to assemblies due to COVID restrictions. At the start of Term 3, the SJV community welcomed Miss Cathy Farrugia to the SJV's staff, replacing Mrs. Anne Fidler who retired after 32 years of loyal service to our school. At the end of Term 2, Mr Lievore introduced us to the Winter Reading Challenge, which was held throughout the holidays. At the start of Term 3, the winners were announced, and each winner won a bag of books. The winners were:

1. Maya Pineda from K Blue,
2. Ivanna Ibrahim from K Gold,
3. Amelia Shobin from 1 Blue,
4. Cecille Rucat from 1 Gold,
5. Sophia Belista from 2 Blue,
6. Demaiyrah Desouza from 2 Gold,
7. Sabrina Santiago from 3 blue,
8. Liana Saba from 3 Gold,
9. Majella Nguyen from 4 Blue,
10. Justin Dela Pena from 4 Gold,
11. Zyra Broadfoot from 5 Blue,
12. Aidan Feliciano from 5 Gold,
13. Helyna Nery from 6 Blue,
14. Niyat Habtemikel from 6 Gold,

The one who read the most books, which was 99, was Maria Kanesh from 5 blue.

Congratulations to all of the winners, and everyone else who participated, and don't forget what Mr Lievore always says - Read, Read, Read. During Term 3, we were introduced to a high quality Gymnastics program through the company 'Be Skilled Be Fit'. Each week, all children from all years participated in a 1 hour lesson to develop their movement and Gymnastics skills through a range of equipment and gear provided by the company.

A huge thank you to Mrs Asaad who has worked hard to coordinate with 'Be skilled Be Fit' to organise this program. On Tuesday the 4th August, the whole of SJV's celebrated the Feast of St. John Vianney, but sadly, like many other things this year, the nature of the celebration had to change due to COVID - 19, but hey, that's better than not celebrating it at all. Thank you to Mr Stennett for organising a prayer and liturgy for both the primary and infants classes, which teachers used with their children. On Friday of Week 2 of Term 3, SJV's hosted a fun day and talent quest which raised money for Bear Cottage. Through the generosity of the SJV community, we raised \$891.00 which has been forwarded to Bear Cottage. Many thanks to Miss D'Sa for coordinating the Talent quest and Fun Day. Throughout the term, Year 6 had been tirelessly working on their Voice of Youth speeches, but only some made it to the finals. On Tuesday, 18th August, six students from Year presented their Voice of Youth speeches in the school finals. The finalists from 6 Blue were: Khodi Azzopardi, Sofia Manalac and Alanna Jomon. The finalists from 6 Gold were: Angelica Icaca, Keira Hamilton and Nicolas Perez. Congratulations to Angelica Icaca who talked about 'Children's Rights' for earning the Social Justice award, and Keira Hamilton who talked about 'Constructive Criticism' for being the overall school champion, and of course, the whole of Year 6, for working hard to present their speeches. During this term, 12 students from Year 3 to 6 participated in the NSW Chess Competition for Primary Schools, but sadly, due to COVID restrictions the competition was cut short. However, we would like to congratulate these students for showing great sportsmanship and representing our school. These students were:

- Gabriel Paul and Jayden Liu from year 6
- Isaac Bayada, Samuel Vella and Jordan Laidlaw from Year 5
- Eason Zheng, Justin Dela Pena, Avryl Bergado, Arianne Santos, Annabelle Valenzuela - D'Antonio, Caetlynn Dolores from Year 4
- Hendrix Layson from Year 3.

Although the parents aren't physically here, we would like to also thank them for their patience and for taking them to their 'AWAY' games.

On Wednesday of week 8 of Term 3, Mr Stennett created and showed the whole SJV's community a wonderful presentation celebrating fathers, grandfathers, uncles and father figures. A big thank you to the P&F under the guidance of Mrs Teneile Shaw, for working tirelessly raising funds for our school. This year's Fathers' Day Stall was run and organised very differently (in order to comply with COVID restrictions). A massive thank you to Mrs Smith, Miss Farrugia and Mrs Kersivien for running the stall on the day.

Overall, this year has been a hectic year but Term 3 is definitely one for the books.

## *Term 4*

Finally, here we are in Term 4. Everyday is always a new one with more excitement and opportunities to learn, we are growing by the minute. The 2021 SRC and 2021 Sport Captains were revealed which is very exciting! I'm sure they look forward to becoming the leaders of our school.

This term we had the Musica Viva Incursion which all of us got to enjoy via zoom. A gigantic thanks to Mrs Stanley for giving us this amazing opportunity. We also got to enjoy ice blocks when it got warmer throughout the year. We all definitely enjoyed having these treats every now and then. Thank you to the P & F for organising this on Fridays during lunch!

Thank you to the teachers who have helped us learn even throughout all the difficulties of the whole year in general. It was for sure very stressful but on a happier note we've almost made it to the end of this very much iconic year.

While this was a hard year, we've worked very hard to get through it. We've enjoyed every bit of it. We're finally nearing the end of the school year, looking forward to the six week school holiday and most of you continuing your time together at SJV's.

This year was very, very stressful and confusing for both staff and the students here at SJV but it was definitely very fun. We had many complications due to the pandemic but we finally made it to the end, at least almost. We gave a lot towards those in need this year like the elderly, or people who don't have a home to come to or a meal to look forward to. Thank you to those who helped in fundraisers organized by students and staff of the SJV's community especially during the hard times of this year.

Although we've had some ups and downs this year, it'll definitely be one to remember. Looking at all the activities we've been able to do no matter what, we can call ourselves lucky. With all the incursions and celebrations we've been able to do during the pandemic, I'd say it was quite enjoyable. At least in my point of view. We've all been able to look forward to seeing our friends on weekends and learning new things, even Maths. But even during remote learning we all wanted to go back to bed and watch netflix in your pyjamas. At least we were able to get through this difficult but somewhat amazing year.

We've enjoyed this year so much even when we had to be apart for some time this year. SJV will always be a joined community for us to come back to everyday, at least on the weekdays. We've all worked so hard to succeed and succumb this crazy year. We all look forward to next year which will definitely be a fresh start for many people. With year 6 going to highschool, the new kindy's coming to big school and the other years moving up another grade getting ready for more exciting learning.

In conclusion, this year will be one to remember. Sometimes it really did go downhill but many things we did made up for it. On behalf of the whole of year 6 we will definitely miss this place. As a whole community I'm confident that this year will be remembered as the one year where everything changed for schools around the world, including this very one we are sitting in. A huge thank you to Fr O'Neill, Fr Szondi and to the staff and students for putting our best interests first in order to make this year as enjoyable as possible. We've really had a great time this year even though we had to follow some very particular rules. We appreciate every single teacher who has gone through this with us. Thankyou on behalf of all of the 2020 SJV's Student Council. We appreciate you all very much and will miss you! God bless and have a fantastic rest of the year.

## **PARENTS & FRIENDS**

The P&F Committee would like to thank all the students, parents, extended family and staff for all of their support this year.

As we all know 2020 has been a very different year but despite that we have still managed to hold some wonderful stalls for the children with the help of some of the SJV staff. Through these fundraising events we have been able to assist the school with purchasing some much needed equipment and resources.

We would like to give a special mention to **Tina Hendrickson** who will be leaving the P&F and the SJV community this year. We want to thank Tina for all the time she has given to the P&F over the past 7 years. We have loved working with you and your help was so important and valued by us all. We will miss having you as part of our team.

We would like to wish the whole St John Vianney's community a very Merry Christmas and a safe and happy 2021. We wish you all peace, joy and all the best that this wonderful holiday has to offer.

We look forward to working with you all in 2021.
