Issue 2

Dear Parents and Carers,

Daily attendance at school is crucial to successful learning. It is important that children attend school every day unless of course, they are unwell or there is some other emergency that prevents them from attending. The learning that is missed when children are absent from school can not easily be caught up - particularly if children have frequent absences or absences that extend for lengthy periods of time. Punctuality is equally important. Children who are regularly late for school miss important instructions and lesson input from teachers. Punctuality and regular attendance are good habits for children to learn for their ongoing schooling and for when they enter the workforce. I urge all parents to make regular attendance and punctuality a priority this year.

Next week we will host our Parent Information evenings. The format for this year will be via zoom meetings for Years 1 - 6. I encourage all families to join the meetings and hope that you all find it a more convenient format given that we are still limited by the 2 square metre rule. Kindergarten parents would have received a separate note.

ABSENCES ADD UP!

FEBRUARY 2 DAYS A MONTH = NOVEMBER 4 WEEKS A YEAR = MISSING MORE THAN 1 YEAR OF LEARNING IN 12 YEARS

DID YOU KNOW

1 IN 6 PRIMARY STUDENTS ARE NOT ATTENDING SCHOOL REGULARLY!

WHAT PARENTS CAN DO

- ✓ **BE FIRM.** Send your child to school every day unless they are sick.
- ✓ Develop good sleep and morning routines
- ✓ Schedule appointments after school
- ✓ Avoid taking holidays during term time

EACH DAY MISSED:

- ▶ Puts your child behind and makes it harder for them to catch up
- ▶ Can lead to lower achievement in reading, writing and numeracy
- ▶ Can lead to gaps in learning and social connections

GOOD HABITS BEGIN EARLY

Good attendance starts in Kindergarten and sets students up for success in their school life

SCHOOLS ARE THERE TO HELP

If you're having attendance issues with your child, speak to your school about ways to address it.

Ash Wednesday and Lent

This week marks the beginning of Lent with Ash Wednesday. Lent is a time of preparation and self reflection leading up to Easter.

The name of the first day of Lent, Ash Wednesday, comes from the old custom of blessing ashes and marking the foreheads of the faithful with ashes on this day. The ashes are prepared by burning palms from the preceding Palm Sunday. This comes from the Old Testament times when mourners or penitents clothed themselves in sackcloth and sprinkled their hands and faces with dust or ashes.

As we receive a cross of ash on our forehead we are encouraged to “turn away from sin and follow the Gospel” - both a good motto to follow throughout the 40 days of Lent as well as further through the year.

This week, as we are unable to attend Mass safely, class have gathered in prayer and received ashes, considering the period of Lent in front of them and what they can do to make a difference.

Project Compassion 2021

Lent and Ash Wednesday also mark the beginning of the annual Caritas Australia Project Compassion Appeal. Donations to Project Compassion allows Caritas Australia, the Catholic Agency for International Aid and Development, to work with local communities around the world to alleviate poverty, hunger, oppression and injustice.

We encourage you to put your compassion into action this Lent through your prayer, fasting and almsgiving by supporting Project Compassion.

Each family will receive a Project Compassion box for their donations or you can donate online via the Caritas Australia website at: lent.caritas.org.au

Saint Oscar Romero is our inspiration for Project Compassion 2021, so in his words let's “Aspire not to have more, but to be more.”

Due to logistical constraints caused by COVID, Caritas has been delayed in distributing this year's Project Compassion money boxes. As soon as they arrive, we will send them home.

NUMERACY INFORMATION

Dear Parents,

As we begin the year, I would like to stress the importance of helping your child/children develop a positive attitude towards Mathematics. Some children find it difficult to solve Maths problems and therefore develop a negative mindset towards Mathematics which means they give up very quickly. We want students to develop a **growth mindset** towards learning Mathematics.

Mathematics introduces children to **concepts, skills and thinking strategies** that are **essential in everyday life** and support learning across the curriculum. Children delight in using Mathematics to solve a problem, especially when it leads them to an unexpected discovery or new connections. As their confidence grows, they look for patterns, use logical reasoning, suggest solutions and try out different approaches to problems. Mathematics offers children a powerful way of communicating.

They learn to explore and explain their ideas using symbols, diagrams and spoken and written language. They start to discover how Mathematics has developed over time and contributes to our economy, society and culture. Studying Mathematics stimulates curiosity, fosters creativity and equips children with the skills they need in life beyond school.

Listed below are suggested ideas you could do at home to help your child engage in Mathematics.

Ask your child to start counting from a number other than one. This will help them when they need to add two groups together and can start counting from the larger group.

- Ask your child to tell you the number before or after a number. How old will you be next year? How old were you last year?
- Ask your child to give you enough plates, cups or cutlery for each person when setting the table.
- Play games such as Dominoes, Snakes and ladders, card games or board games involving dice with dot patterns. This will help your child to recognise patterns and count.
- Collect and sort shells/pebbles etc. Count how many are in each group.
- Look at and say the numbers on license plates and road signs.
- Ask your child to help you count the pieces as you cut up food such as pie, quiche, fruit or sandwiches.
- Have your child help share out food to the family. How many slices will I need to cut the pizza into so that everyone has two slices?
- Ask your child to share out items fairly with others.
- Count the number of things in a collection such as items in a bag or a large jar of buttons. Ask your child if there is a quick and easy way of counting, eg counting by tens, fives or twos.

In the School Newsletters this year, we will provide you with a variety of Maths questions/ideas that your child could complete at their leisure. Please feel free to be involved in these activities. These questions/ideas might be targeted at Infants, Primary or Upper Primary students. If you think the questions are not suitable for your child's stage, please do not hesitate to change the numbers to suit your child's level.

PARENT INFORMATION SESSIONS - Year 1 to Year 6

Dear Parents/Carers,

Following the recommended actions due to COVID-19 restrictions our Grade Parent Information Sessions will not take place on school grounds for **Year 1 to Year 6**. Instead, we will be providing this information in a **grade information session via Zoom**.

The teachers of each grade will host an online Zoom meeting for 20-30 minutes to go over important information to help the year run smoothly for your child, as well as outline the main content of learning. These meetings will take place during **WEEK 5 from Monday 22/2 to Wednesday 24/2** at different times so parents/carers have the opportunity to join any of the relevant meetings. **These dates, times and Zoom Meeting links are attached with this letter in addition to instructions on how to access Zoom.**

Before the zoom information session your child will bring home a hard-copy overview of the year as well as significant information relevant to the grade. We also understand that you may have questions to ask your child's teacher/s so during this week **on the Skoolbag App there will be a link to a Google Form for each grade where you can submit questions prior to the meeting about the learning that you would like covered**. The teachers will then do their best to address these during the zoom meeting.

In addition, during the meeting you will have the opportunity to submit questions via the 'chat' section of the Zoom meeting.

While these Parent Information Sessions will take place using a different format they will still provide you with valuable information about your child's learning for 2021.

Thank you for your continued support.

Yours sincerely,

Mr. Cameron Lievore
Principal

ASSEMBLY

Every Monday morning, we begin the week with an Assembly. The whole school gathers to pray our School Prayer, which was composed by one of our students many years ago. We begin each day in the classrooms with this prayer which is led by one of our student leaders over the PA system. I share this prayer with you as we begin this new year. Perhaps you can make time at home to help your child become familiar with this special prayer.

OUR SCHOOL PRAYER

Dear Father,

Thank you for bringing us safely to St John Vianney's today.

Please bless our families, friends and teachers.

Help me to make today a nice day for myself and everyone I meet.

Through Christ, our Lord. Amen.

KEEP US INFORMED

If you have changed your address, email address or phone numbers, please update via the Skoolbag App or contact the school office for a Change of Details form as soon as possible. It is important to have ALL contact details up to date for our records to ensure we can contact you when necessary.

VISAS

If you or your child have been on a visa and the status of that Visa has changed, please advise the school office as soon as possible so that your records can be updated.

SCHOOL BANKING

Please send your child's banking in on Friday morning and hand to their class teacher.

CLOTHING POOL

If you wish to purchase second hand clothing, please contact the School Office to make an appointment.

Donations are appreciated. Please send through any used clothing, washed, to the school office.

BOOK CLUB

Reminder to parents that Book Club Order Portal will close 19 February, 2021.

SUPERVISION

Morning supervision starts from 8:30am. Please ensure that your child is NOT at school before 8:30am as there is NO supervision before this time. School finishes at 3:00pm and children should be picked up promptly. Afternoon supervision in the amphitheatre finishes at 3:30pm.

If you are running late, please contact the School Office on 8869 6300 so that we may inform your child.

MEDICATION

If your child requires medication during the day, e.g. antibiotics, please send a note to the office together with the medication (in its original packaging), details of dosage and time to be administered. If medication is required for a period of 5 days or more, a form will be sent home for completion.

NO MEDICATION is to be in your child's school bag. All medication must be kept in the office as we need to record all medication given to students.

Asthma Action Plans and Anaphylaxis ASCIA plans are requested in the beginning of each year. Please inform School Office if your child's medication changes during the year.

SCHOOL ATTENDANCE

EVERY LEARNER, EVERY DAY!

- ◆ School attendance plays a critical role in enhancing the lives of students in schools.
- ◆ Every day of attendance adds to a students' academic achievement and success at school.
- ◆ If a student is not at school, they can't be part of the learning.
- ◆ A student who is consistently late to school misses the learning too!
- ◆ School attendance is compulsory for every school age student.

It's OK to **NOT** be at school if you are sick or there is some kind of disaster ...but it is not OK to be away because you slept in, didn't feel like coming to school, went shopping, met up with friends.

At St John Vianney's we are monitoring school attendance as one part of building your child's success at school. We will communicate with you if we become concerned about your child's attendance.

Parents can help by promoting the importance of school by:

- ✓ ensuring your child attends school every day
- ✓ arriving at school punctually (school begins at 8:55am)
- ✓ leading by example ... be organised and ready

We are keen to support parents in developing and consolidating good attendance habits in every student.

ABSENT FROM SCHOOL

The Education Act (1990) clearly states that parents have a responsibility to ensure that children attend school regularly and must provide an explanation for any absences. If your child is away from school could you please advise the office via phone, email or the Skoolbag App by 9:30am on the day they are absent.

APPLICATION FOR EXTENDED LEAVE

Parents, as you know, it is very important that children attend school every day. Quite often leave is requested by parents for various reasons. While we understand that this may be necessary sometimes, it is not encouraged. **Every school day is important for every student.**

If you intend taking your child out of the school for **five days or more** you must make a formal application to the Principal **in writing** and complete the '**Application for Extended Leave**' form which is available from the school office. The application must be **submitted at least 4 weeks prior to the expected leave** or earlier if possible.

It is important for parents to know that, depending on circumstances, this leave may not be approved.

Each application will be considered on an individual basis and could depend on circumstances such as the intention for the leave, your child's attendance and the impact the leave may have on your child's academic progress.

These regulations are in place in all schools in the Parramatta Diocese to make sure that all students have the best opportunity to achieve to their full potential. We appreciate your support and understanding of these requirements.

IMPORTANT INFORMATION

ANAPHYLAXIS LIFE THREATENING ALLERGY

Dear Parents,

Schools cater for many differences that children present academic, emotional, social and health issues.

Throughout our school, we have children with life **threatening allergies**. This is a serious matter, one that the school must address. Therefore we appeal to all parents to assist us in caring for these children by considering the type of foods you pack for your own child's lunch.

Our aim is to minimize the amount of **peanut** and **nut** products brought into the school and avoid all foods that contain **nuts**. These foods are extremely dangerous to our children with allergies. Common foods that trigger an allergic reaction are listed below and we ask that they **not** be brought to school **any time**.

Peanuts: include M&M peanuts, cashews, hazelnuts, almonds, walnuts and all tree nuts

Peanut butter

Nutella

Sesame seeds remember some bread rolls have sesame seeds on the including some McDonald's hamburger buns

Food that contain satay e.g. Thai, Malaysian, Indonesian dishes

Egg

In the case of a child bringing a nut product to school, teachers will bring the matter to the attention of parents.

If peanut or nuts are **not** on the ingredient list of a particular packaged food but the food has the statement:

"May Contain Traces of Nut ..."

this food may be brought to school and consumed only by **non-allergic children**.

Due to safety concerns, **we discourage children from sharing food**. We would also appreciate parents speaking with children regarding this matter.

We thank you for helping us provide a safe environment for all our children.
